John Hyde Passes --- Funeral Sunday

John Hyde, aged 83, pioneer resident at Raymond since shortly after the turn of the century passed away early Monday morning at the home of his daughter Mrs. Wm. Greep. He had been failing for several months, but had been around the town a few days before his passing. Death was due to natural causes. Incident to old age. His wife predeceased him in 1919, but several children survive and mourn his passing, one son John being overseas.

In the early days of Raymond deceased worked as blacksmith for the old Knight Sugar Co. and afterwards went into business for himself his shop standing on the corner of the angling street coming into town. He worked there successfully for many years until his health forced him to quit. He was a member of the L.D.S. Church and the funeral services will be held Sunday, May 20th, at 2 p.m. in the First Ward Church with Bishop J. O. Nielsen in charge. We extend our sympathy to the children who are mourning the passing of their father.

SNOW AND RAIN SATURDAY

A wet snow and rain storm started early Sunday morning and continued throughout the day Sunday. It was quite stormy all day and when night came roads and streets were full of mud and water.

May so far has been very cold and stormy and while some seeding has been done, it has been greatly retarded by the wet weather Tuesday morning there was a cutting wind blowing from the south, and in the forenoon it warmed up a great deal, and a series of lightning flashes and thunder claps preceded a rain storm again Tuesday afternoon which put work on the land to a stop again.

No gardens have been planted to speak of. Beets and wheat that are planted are doing alright although growth and germination is very low with the weather so cold. However, if we get warm weather for the first

President Grant Dies In Salt Lake City

Salt Lake City, May 15.—President Smith, were elevated from head of Heber J. Grant, 88 year old president of the Latter-Day Saints (Mormons) church died last night at the family home where he had been under treatment several weeks. That he was seriously ill was disclosed by church authorities only recently.

Death was attributed to causes evident to age.

Pres. Grant, a native of Salt Lake City, was elevated to the Mormon presidency in 1918. The Council of Twelve Apostles becomes governing body of the church and the council president George Albert Smith, 75, becomes acting head of the entire church. The council will choose the new president later.

All seven presidents of the church, since it was founded by Joseph

of the month crops and gardens will make good growth.

Smith, were elevated from head of the council but the practice is not mandatory under Mormon procedure.

President Grant was personally known to many members of the L. D. S. church in Southern Alberta. He visited the large Canadian Sales on numbers of occasions and officiated at the dedication of the Cardston Temple in 1923. He was a former president of the British and Japanese missions of the church and his administration has been marked by a steady growth of the church at home and abroad. He was a keen businessman and widely travelled. He will be deeply mourned. —Leth. Herald.

Victory Loan Exceeds Minimum Objective

LETTER OF THANKS

The Town Council wishes to thank all those who assisted in staging the V-E Day celebration and gave so generously of their time, talent and materials in preparing the program, bonfire and two dances.

The necessary expenditure of \$84 for Opera House and Orchestra was paid by Tax Payers from the Town general funds.

Terry and Webster have purchased the Furniture building from Platt and will be moving their cabinet making and bike repair shop there in the very near future.

A great deal of the rottenness in present day politics comes from the refusal of one group to acknowledge or give credit for any good in the other groups. Like the Bible saying "Can anything good come out of Nazareth?"

Canada's Eighth Victory Loan has exceeded its objective of \$1,350,000,000 and in the Lethbridge district every unit, and the city of Lethbridge itself have passed their allotment and some have nearly doubled their minimum.

All three forces, army, navy and air forces have far exceeded their allotment and it must be gratifying to the Dominion Loan officials, as well as Local and Provincial to see how Canadians have supported the loan despite the announcement of peace in Europe, which in fact may have added zest to the sale of bonds.

Cheese Factory Meeting

The annual meeting of the Cheese Factory Co-operative was held in the Town Hall last Friday night with about 50 people present. The annual report was presented by E. E. Jensen, Secretary-Manager, along with the financial statement. A lengthy discussion followed this respecting the operation of the plant and plans for the future. Last year had been disappointing but at present the plant was operating fairly satisfactorily and showing a profit.

The election of directors resulted in the election of C. O. Nalder, L. A. Wood, L. D. Watson and Teddy Grey, who with A.W. Jones, John F. Salmon and E. E. Jensen will make up the Board of Directors for the next year. The Directors were all given a vote of thanks for their labors during the past year.

Harold Stevens was busy the first of the week painting the interior of Platt's Furniture new premises in the Bowling Alley building.

The luxury taxes were lifted from a number of articles last week, and the 2 p.c. tax was taken off some lines of building materials as well. This was welcome news to everyone.

Town Council Meeting

The Council met in regular session on Monday night. The minutes of the last meeting were read and with the monthly pay roll were accepted and passed.

A representation from the Vets was present and asked for permission to erect a Veterans Hall on the north east corner of Memorial Park facing north. The Towns Club executive was present as well and asked for the privilege of building a tennis court on the north-west corner of this block. After considerable discussion the Council decided to ask for the reactions of the citizens of the town to these requests and if there are any objections to them being granted that these objections be filed with the Secretary before the 28th of May. Read the Notice on this matter.

The Council is investigating the possible purchase of a Motor Grader to enable more streets to be bladed in less time following the snow that cut them up so badly.

Negotiations are still under way regarding the easements on property for the moving of the Power Lines into the lanes instead of up and down the streets.

A motion was passed for representatives, yet to be appointed represent the Town at the Municipal Convention in Calgary on June 28th and 29th.

Numerous other items, mostly individual were discussed and decided upon.

Political Pot Boils

The political pot is boiling now as election time draws near. On June 11th, Canadians will have an opportunity to cast their ballots for the men and the party whom they want to direct our national affairs for the next four or five years.

Nationally there are 215 seats. Locally we have five men running for one seat. Our nominations are: J.H. Blackmore, Social Credit; Phil Baker Progressive-Conservative; L. S. Turcotte, Liberal; W. W. Scott, C.C.F.; W. H. Childress, Labor-Progressive. These men are getting their meetings outlined and no doubt Raymond electors will have an opportunity of hearing them all before election days arrive.

There are some peculiar situations in some places. In one Quebec riding there are eleven candidates running. Electors there will have a great choice, won't they? In the Peace River riding in Alberta where our recent member Hon. Solon Low, is nominated, there is also another Social Credit candidate. According to the Lethbridge Herald a portion of the Social Crediters in the Peace River requested the nomination of Hon. Mr. Low, and they have nominated Lt. R. A. Pellier, of the Canadian Army to contest the seat for the party in opposition to Mr. Low. Lt. Pellier served Peace River from 1935-1940 for the Social Credit party and is a very popular man there.

Mr. Low has resigned his seat as M.L.A. for Warner and a bye-election will be necessary within the next six months.

Municipal Council Meeting

The Municipal Council held a lengthy session last week, mostly confined to discussion of matters relating to the summer program. A great deal of discussion centered around the summer road program (especially with respect to the graveling program). No decision was reached on this point as it was tabled until the Councilman made a detailed study of each district of the Municipality and bring in a recommendation at the next meeting. Mr. Bradley, District Road Engineer was at the meeting as part of the discussion of the road program with the Council.

R. W. Gardener of Lethbridge, Chartered Accountant, was hired as Official Auditor of the District for this year.

V-DAY means not a thing to this husky young rascal, unless it is his Daddy's coming home. This little citizen is happy any day so long as he's well fed and feeling fine.

Yet he — above us all — is the one to shout for joy today.

Is it not for him — and for millions of bright faces of his generation — that men have been willing to suffer and to lay aside their freedom — bit by bit — so that one day they might have it complete, secure?

Even so — the fruits of Victory are not alone for those too young to know the privations of war . . . not alone for posterity.

Here and now, men and women of our generation — scarred and wearied by long, grinding years of war — shall know the blessings of a new-born day.

This new day is for the common man . . . for greater social justice, for broader opportunity to enjoy a richer, fuller life.

No thinking citizen here in Canada, or in any land touched by war, would believe for a moment that our problems are past.

The prospect ahead is no easy one . . . Yet it cannot daunt the hardy stock of Canada — the men and women who carved this nation out of a wilderness, who through the years have fought the good fight as each emergency arose — down to the last Victory Loan . . . down to the last blood donation.

No, the prospect is hard, but a new spirit is abroad. We Canadians, like all our Allies who have fought this fight with us, have been chastened by the ordeal, and we are determined — by the effort of the individual citizen . . . by the effort of the community — to bring a better, stronger, healthier world out of the raging storm through which we have passed.

This is a day for cheering not simply for victory over dictatorship, but for the assurance we have of the dawn of a better day.

This message is published as an expression of faith in the future of Canada by the Bank of Montreal, which has been working with Canadians in all walks of life since 1817.

NOW THERE'S A FUTURE IN FARMING

Under Liberal Government, Farm Incomes Rose Steadily

ONE out of every three men working in
Canada is on the farm. Agriculture is the
nation's most important industry. Since 1935,
your Liberal Government has kept farming at
the top of its list for action. Look at the panel
(left).

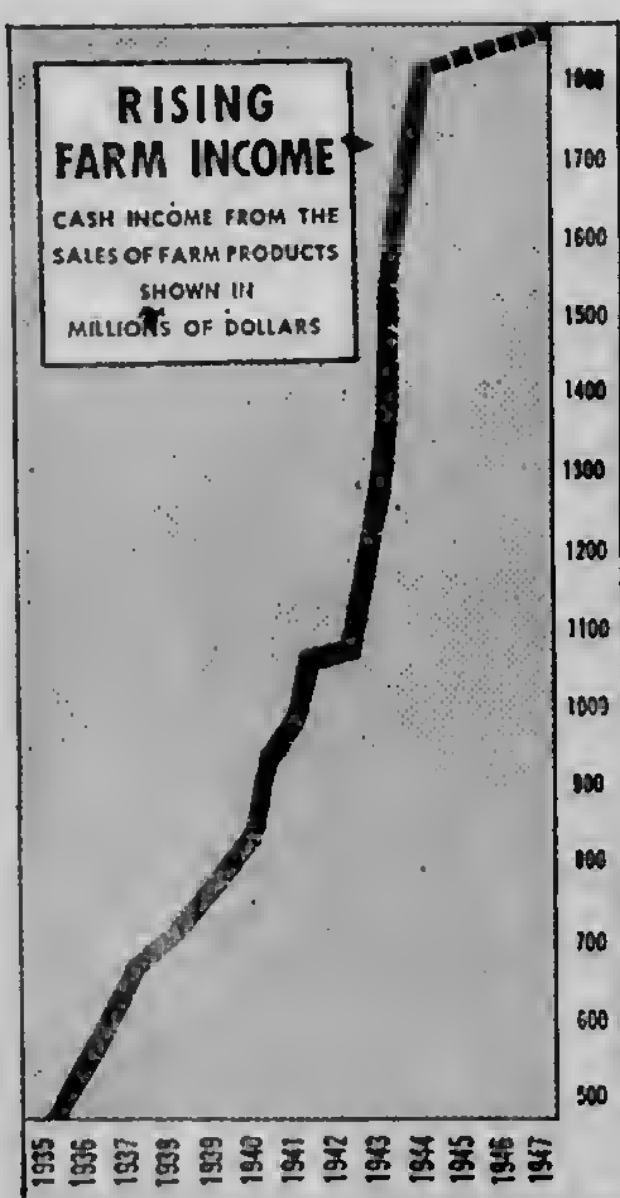

Although 23% fewer men have been available
for farm work, production has increased more
than 40%—a splendid record of achievement
for victory!

Even before the war, by securing foreign mar-
kets, taking off surpluses and stimulating home
consumption, your Liberal Government assisted
in raising total farm income by 45%.

During the war, the farmer for the first time
was put in the sound position of
knowing exactly how he stood
financially. He was protected
against increases in his costs of
production and guaranteed a
market at fixed prices for a
specified volume of produce. In
1939 farm income was \$772,-
000,000; in 1944 it was \$1,817,-
000,000, an increase of over a
billion!

After the war, your Liberal
Government has arranged to
keep farm incomes up by floor
prices on farm and fish prod-
ucts, and by foreign trade...
to improve farm living condi-
tions by Family Allowances,
National Housing Plan, Farm
Improvement Loans Act, and
other social measures... and
to secure agriculture's future by
conservation of soil and other
natural resources together with
farsighted projects for irriga-
tion, road and other improve-
ments as soon as manpower
and materials are available.

When you vote Liberal you
act for your own and your fam-
ily's continued welfare.

COMBINED PROGRAM SUNDAY EVENING

The Sunday evening program in the 2nd Ward was devoted to the theme of Mother's Day and also a Thanksgiving for Victory Service and was under the direction of the Ward Mutual.

After the opening prayer and song Miss Vivienne Scoville gave a short talk on the new Mutual theme and Miss Jeanne White sang "There'll Always be an England."

P. O. Gerald Melchin representing the Service men gave a "Tribute to mothers whose sons will not return and a silent tribute to the mothers whose sons will not return was given. Four such mothers were present: Mesdames Robinson, Petrac, Palmer and Bennett.

The Ward Gleaner chorus sang two numbers, "The Hills of Home," and "Thanks be to God."

The Bee Hive Girls sang "Oh I Had Such a Pretty Dream Mamma," and Elder Lyman Jacobs gave an interesting talk stressing how thankful we should be as Canadians and the Allies as a whole because of our escape from slavery.

Miss Jeanne White sang "God Bless America" and the meeting was brought to a close by singing the National Anthem.

F. Taylor, P. Redd, Delbert Olor, Ira McBride, Miss Beth McBride and Mrs. Margaret Bridge went to Gaults Sunday afternoon where they assisted in putting on a Thanksgiving for Peace program which was in charge of the L.D.S. Branch there. They report a very enjoyable time, lunch being served at the home of Mr and Mrs. Leo Spencer's before they returned home.

At Last— Fair Play for the Farmer

"Canadian farmers have never had a fair return for their labour. They are forced to buy in a protected market at relatively high prices and to sell in a world market at generally low prices. What agriculture needs is not crutches to carry its disability; it needs to have the disability removed. This can only be accomplished by permanent measures and long range planning."

John Bracken

At last—a farmer fights for fair play for farmers! For more than twenty years John Bracken, the Farmer, was the undefeated leader of a Farmers' Party. To-day, as leader of a great, national, progressive party, he is determined that throughout the length and breadth of Canada there shall be a square deal for agriculture . . . fair play for the farmer . . . on a permanent basis!

Farmers have seldom had a fair share of the nation's income. Rarely do they receive a just reward for their endless labours. John Bracken means to stop, once and for all, the unfair discrimination against farmers, the unjust economic practices which make it impossible for farmers to obtain fair prices for the fruits of their labour.

"It is the responsibility of the nation," says the leader of the Progressive Conservative Party, "to see that this great inequity shall not be perpetuated . . . I know where I stand in the matter. Let me make that position clear. It is not fore-ordained that farmers shall work for less pay than anybody else; or have their children receive only one-quarter the chance of a secondary education or one-tenth of the chance of a university education that other children get; or see their wives forced into lives of toil, often 12 but sometimes 14 hours a day—Sundays and holidays included. . . . The trouble is that no one with the necessary authority has determined to correct the basic economic ills of Agriculture."

To-day, John Bracken, the Farmer, seeks the necessary authority to put into immediate operation the far-reaching

Progressive Conservative policies that will permanently ensure fair play for the farmer. Here are just some of the points in the Progressive Conservative plan for the definite, continuous and permanent protection of farmers against income collapse and wide extremes of income fluctuation:

The Farmer shall be guaranteed a proportionate share of the nation's income.

A permanent policy for forward contract prices shall be guaranteed to farmers—by law.

The prices guaranteed will be calculated by a non-political council, and will be based on the farmer's proportionate share of the national income. These prices will be announced before the production seasons begin.

This policy will increase present average farm income by not less than twenty per cent.

It takes a farmer to understand farmers' problems. Only a farmer knows the full economic injustice from which farmers suffer. To-day, John Bracken is fighting for fair play for every farmer. The leader of the Progressive Conservatives is determined to bring security and prosperity to farmers permanently. Join in the fight. Help him to win his life-long struggle to give Agriculture a place in Canada's prosperity, not for a day—but for all time to come.

A Farmer fights for you . . . He needs your help.
